Capgemini named a Leader in 2025 Gartner® Magic Quadrant™ for Custom Software Development Services

Paris, December 08, 2025 – [Capgemini](#) today announced that it has been recognized as a Leader in the [2025 Gartner® Magic Quadrant™ for Custom Software Development Services](#) for its ability to design, build, modernize, and iterate Custom Applications and Software Products to meet clients' unique business needs.

"We're delighted to be recognized by Gartner as a Leader which, in our opinion, is an acknowledgment of our commitment to helping clients unlock tangible business value through custom applications and software products," said Pierre-Yves Glever, Head of Global Applications Business Line for Cloud & Custom Applications. "We master Custom Software Engineering to deliver unique user experiences, operational processes, and products. With expertise spanning AI-powered software engineering, composable and intelligent software, software modernization, integration and product engineering, we empower organizations to accelerate their transformation journeys to make real business impact."
